President: Members, please stand.

FCCLA members, we are challenged to accept the responsibility of making decisions that affect our lives today and the world tomorrow. Let us repeat our creed.

For we are the builders of homes, homes for Americas future. Homes where living will be the expression of everything that is good and fair, homes where truth and love and security and faith will be realities, not dreams. FCCLA is partnering with the Children's Miracle Network for it's 2009 Community Service Project!

Children's Miracle Network is a non-profit organization that raises funds for more than 170 children's hospitals. Donations create miracles by funding medical care, research, and education that saves and improves the lives of 17 million children each year.
